Abstract

Each and every date of birth can have maximum 8 digits only in the form of date (DD/MM/YYYY), while there are 9 digits and zero in number system of numerology i.e. 0, 1, 2, 3, 4, 5, 6, 7, 8 & 9. We don't consider zero in any type of calculation of core numbers, so minimum one number can only miss in date of birth, but if there are more than one numbers are missing and the native has the weakness of this number's energy and unable to find out that number actually. In astrology it is easy to find out the weak planet or houses, but in numerology, how we can find that actual missing or weak number, which is likely a big knife or stone in desired growth.

Therefore, what is "The Actual Missing or Weak Number or Number of Improvement" in date of birth? It is the most important question of any native and Numerologist also. The Divine Science and Cosmic Language of Numbers can help to find out that number with logic and proof.

Keywords: Missing number, weak number, number of improvement, numerology

Introduction

To find out the actual weak or missing number in date of birth by an easy and logical calculation of numerology, we should have in-depth knowledge of the divine science and cosmic language of numbers and the direct or indirect role of each number in the life of native. The date of birth has only 8 digits and may be less than 8 digits also in many cases. Number system has total 9 digits, so the energy of one or more than one numbers can be missed in date of birth. This calculation will help us to find that missing or actual weak number and by strengthen the energy of that number, the native can achieve desired growth and success in his/her life.

The native of any religion or in any country has the first digital identity on the earth is the Date of Birth, his/her whole structure of life path depends on it only. If we can know the weaknesses and strengths of numbers available in date of birth or not in date of birth, can get success and prosperity easily. Here in this article, we will learn to calculate the 'Actual Weak Number' in date of birth.

Materials and Methods

The first numerical identity of any native on the earth is the 'Date of Birth', which has three segments i.e. Date, Month and Year in numerical form, all the numbers play the direct or indirect role in human's life. According to Numerology there are three main numbers, which effect more in human life to get the answer of desired question.

Materials

First – Birth Number / Psychic Number

Second – Destiny Number / Life Path Number

Third – Zodiac Number / Sun Sign Number

To understand the fact of native's life, we have to calculate lot of numbers and sub-numbers by his/her actual Date of Birth, but the above three numbers are the most important numbers to know and to predict the PPF A/c of native's life (Past, Present Future, A/c - Account)

Let's understand the calculation of above three numbers -

Birth Number: It is birth date of native. If there is double digit birth date, it will be converted into single digit by adding them itself.

For example

1. Date of Birth – 17/09/1950
Birth Number is 17 = 1+7 = 8
2. Date of Birth – 07/07/1981
Birth Number is 7
3. Date of Birth – 30/01/1948
Birth Number is 30 = 3+0 = 3

Destiny Number – It is a total of complete date of birth of native. If the total is in double digit, it will also be converted into single digit by adding them itself.

For example:

1. Date of Birth – 17/09/1950
Destiny Number = 5

$$[D+D+MM+Y+Y+Y+Y] = 1+7+0+9+1+9+5+0 = 32 = 3+2 = 5$$

2. Date of Birth – 07/07/1981
Destiny Number = 6
 $[D+D+M+M+Y+Y+Y+Y] = 0+7+0+7+1+9+8+1 = 33 = 3+3 = 6$
3. Date of Birth – 30/10/1950
Destiny Number = 1
 $D+D+M+M+Y+Y+Y+Y] = 3+0+1+0+1+9+5+0 = 19 = 1+9 = 10 = 1$

Zodiac Number: This is purely based on Birth’s Month of Native. It is assigned as per below table in Numerology

Method to calculate the actual weak or missing number in date of birth

As per divine spiritual theory, our soul chooses the numbers in the form of Date of Birth according to past life Karma. All the incidents depend on the destiny, while the destiny depends on our Karma and Prarabd. In Kalyuga, nobody is perfect on the mother earth. Everyone has something missing to improve for the development. If the human is able to find out his/ her weaknesses or area of improvement, it can also be converted into the strength.

Each and every number or planet is necessary for the desired growth, neither any planet is very good or nor is very bad. Only need to channelize the energy is getting in the form of numbers into date of birth. Which planet or number is weak or missing or need to improve into date of birth of native, it also exists in hidden form of itself.

We can calculate it by very easy calculation of numbers given into date of birth. There are only 1 to 9 numbers and zero in whole counting system of universe and only 9 planets exist in our solar system. We can read the life structure of any human by the existing combination of number and planet into date of birth. In this method lot of numbers and calculations are necessary, but three calculations or numbers are very important to find out the ‘Actual Missing Number or Weak Number or Number to Improve that area of life in date of birth, i.e. Birth Number, Destiny Number and Zodiac Number.
